The woman who waited  
found her reward

SHE had for years nursed a secret longing for more hours of recreation . . . happy hours away from the hot stove.

Her husband had not been insistent but he had always preferred the bread she baked to baker's bread.

Occasionally she had tried a loaf of baker's bread in the hope that it would be almost as good as her own.

About a year ago she found the loaf she had been waiting for . . . the loaf that brought her those delightful leisure hours she had longed for thru the years.

It was Holsum Bread . . . thought

fully made . . . rich with milk and brim full of home-made goodness. She says last year was her happiest year since her honeymoon.

Perhaps you too are a thoughtful housewife who has been waiting for this lovely loaf. If so, you will find a plump, golden crusted loaf of Holsum, oven-fresh at your grocer's right now. Won't you try it?

## SPORT SAUCE

**SYMPATHY** of the local and far-appearing race fans was with the game little Queen Wren in the heat of the 21st year of the Marion County Fair yesterday afternoon. After winning the first race, she was caught in a hole in the fence and forced to take a wild position.

It was with much the same of all that attended the races yesterday. An excellent performance of the popular dog show of the Marion County Fair, which was held at the fair grounds, was the highlight of the day. The dog show was a success, and the spectators were well entertained.

We were particularly impressed with the manner in which the trained animals were up in front of the grandstand after the show and received the applause of the huge crowd.

It was better yesterday than it was Wednesday. We could tell that by the action in the grandstand. We could tell that by the action in the grandstand. We could tell that by the action in the grandstand.

**TONIGHT** marks the close of the season. The attention is being paid to the fact that instead of playing the usual special on the season matter will be a few words of "What Does It Mean?"

But the past season has indeed been a great success. Although there was a small number of protests, the fair was a success. The attention was well and the crowd was large. The fair was a success.

**ONLY** two Marion owned horses were entered in the races yesterday. One finished third and the other failed to place.

**COLUMBIANS** SENATORS still have hopes of finishing in second place in the American Association. The Ohio boys are only one game behind Louisville and don't expect to play there long. They were out of last place since this season but slumped right back again.

**CLEVELAND** again trimmed the New York Yankees yesterday. The Indians, although far from first place, had one of the best records in the league for mauling the Yankee sluggers.

**PITTSBURGH** PIRATES continue on their merry way, mauling the Giants and Cards still while fighting among themselves. For the third time in many days, St. Louis and New York yesterday split even in a twin bill. Both are thanking their lucky stars that there are no more double-headers this week.

**CONNIE** MACK'S Athletics have almost clinched second place in the American League race. They made a clean sweep of the series with the one dangerous Chicago.

With full Masonic recognition, the Duke of Connaught, Grand Master of the United Grand Lodge of English Freemasons, has laid the foundation stone of the new London Masonic temple, which is intended to perpetuate the memory of Freemasons who fell in the war.

## SHOOT A NICKEL!

Find Out What It Will Get You in a Mild and Fragrant Smoke. This is News.

You've heard about cigars at five cents that are "worth twice as much." Perhaps you've had your doubts. Perhaps you've tried some of them and said "never again." But a whole of a good cigar can be produced to sell at five. A whole of a good cigar is being produced to sell at that price. Don't take our word for it. Smoking is believing. Figure that it's worth a nickel to settle this question once for all. Put that nickel on Havana Ribbon. If you don't like it, you're out only five. If you do, you'll get acquainted with a cigar you can afford to smoke.

Havana Ribbon sold at more than five cents for years. Volume went up, quality went up, and the price went down. That's where you win. All you invest is a nickel. Do it today and find out that a real smoke can be sold for five cents. Havana Ribbon has all the fragrance and richness of ripe tobacco. It says "more" with every puff.

## BABE'S CHANCES ARE NOT SO ROSY

New York, Sept. 15.—Babe Ruth's chances of leading his home run record of 60 were not quite so rosy today. Cleveland pitcher has hit him for the second time in two days. Yesterday George Uhlenhuth held the Yankees to a double while two hits, Ruth's erstwhile rival, got a single.
